

# American Peony Society Annual Exhibition

## 2016 Results

Each year, the American Peony Society, sponsors and organizes a peony flower exhibition, in conjunction with the annual convention. Growers, gardeners and peony enthusiasts gather to have their best flowers evaluated and viewed by the public during the show. Flowers from a wide range of peony plant groups can typically be seen, as well as, bloom from some of the newest and most unique introductions. Exhibitors bring transport their flowers from many locations originating in North America, allowing visitor to the show the many varied bloom times of peonies all at once.

With great anticipation and excitement, the exhibitors prepare their flowers for judging the evening before judging. Judges evaluate each bloom in various divisions and award worthy flowers that meet definitive criteria. The best flowers from each division are selected and further awarded, and further selections are made to determine a number of other awards. When all is said and done, the coveted 'Queen of the Show' or 'Best in Show', is awarded to the most outstanding flower.

The Annual Exhibitions are extremely popular with exhibitors, APS members and visitors. For a rare look into the world of peonies, the APS Annual Exhibition of Peony Flowers will not disappoint.

June 4, 2016

Hyatt Regency Green Bay — Green Bay, Wisconsin
