

THE BERTRAND H. FARR LIFETIME ACHIEVEMENT AWARD

is hereby awarded to

Allan and Dot Rogers

...in recognition of their continued efforts to educate the public about the peony through publication of the book "Peonies", inspiring many new peony fanciers throughout the gardening world. The Rogers also founded the Pacific Northwest Peony Society, an organization that has encouraged gardeners and growers to share their information and promote peonies, adding greatly to the recognition of the peony as a popular perennial flower.
