## **2020 "Un-CONVENTION-al" Auction**

### **AUCTION DONATION REQUEST**

*Hello, everyone! Spring is here, and the "Un- CONVENTION-al" Auction is just around the corner. While we have some great donations, we need additional donations to make it a success.*

*Your generosity helps the APS in many ways. Our spring and fall auctions are the Society's main fundraisers for the year and provide funding for education, outreach, and research initiatives.*

**Please donate today! Thank you in advance for your support.**

***Mary Muellner, Recording Secretary, Director***  
***American Peony Society Auction Committee Chair***

**TO DONATE:** Please email Mary Muellner at [auction@americanpeonysociety.org](mailto:auction@americanpeonysociety.org) or call at 320-290-1480. We would like your donation commitments **no later than Wednesday, May 20<sup>th</sup>**. This allows our committee time to add your donations to the auction listing.

Peony root divisions are shipped by the donor to the winning bidder in fall.

Thank you for your generosity!
