

## Bidder Registration Instructions

- Please register in advance so you'll be ready to bid when the auction begins.
- If you are an APS member and previously registered for the auction in the last two years, no need to re-register. Just sign into your account with the email account associated with your APS membership and your password or an access code. If your password is forgotten, click the link to get a new password and follow prompts.
- Newly registered APS members need to create new account. Follow the prompts and pick a password. You will then receive an email with a confirmation. Credit Card info is optional and can be skipped. If you joined APS without an email, then we can send you an access code to use instead.
- If your email has changed, let us know and we will update it.

**Auction start: June 11, 2020 Thursday at 12:00 PM (Central Daylight Time)**

**Auction end: June 14, 2020 Sunday at 6:00 PM (Central Daylight Time)**

**Look at the 'Catalog Tab' for all items. There are multiple pages of unique and quality roots, as well as other items. Some are new introductions and are no longer available this year except here. All are donated by members and growers who have a passion for peonies.**

Bidding continues through 6:00 pm central daylight time (CDT). Bidding will end promptly at 6:00 pm. Last minute bids **will not** extend the bidding time.

Bidding registration continues for APS members. Once APS members have created an account, a member may immediately begin to bid on auction items. Please register in advance so you'll be ready to bid when the auction begins!

Auctions are the American Peony Society's main fundraisers for the year. The proceeds provide funding for education, outreach, and research initiatives. Your generosity helps support APS in many ways.

## Instructions

**This is what you will need to know to register to bid and checkout.**

1. You must be an American Peony Society member to bid.
2. Follow the registration info above.
3. You will need your email and password, or access code, to sign in to bid.
4. Bidding starts June 11th. Place your bids! This is a real time auction, so you will know immediately if you are the current high bidder.
