

## **ANNOUNCEMENT**

### **The American Peony Society Annual General Membership Meeting & Teleconference**

August 1, 2020

3 pm - 4 pm Central Daylight Time

Via Free Conference Call (numbers to be supplied through the APS Member Portal)

The American Peony Society's General Membership Meeting is normally held during our annual convention. Due to the cancellation of this year's convention, the Board of Directors is making alternative plans to meet via teleconference. The APS Bulletin states the meeting will be held in mid-July; however, due to bylaw notification requirements, the Board has set the meeting for August 1<sup>st</sup>.

Your input is important to us, and we hope you will join in. The meeting will provide information on the society's finances, activities and include announcements moving forward. Directors for the Board will be elected, and your officers for the next term will be announced.

Find detailed information for how to participate on the APS Member Portal in July at: <https://americanpeonysociety.org/member-portal/bulletin-board/annual-general-membership-meeting/>. If you have questions, please email Nate Bremer at [americanpeonysociety@solarisfarms.com](mailto:americanpeonysociety@solarisfarms.com).
