

## When Does My Membership Begin?

- **Dues received before August 25** will be recorded for the current year. You will receive all four issues, while supplies last, of *The Bulletin* of current year. You will also receive *The Directory of New Cultivars* for the current year (issued at the end of the current year or in January of the following year).
- **Dues received between August 25 and November 25** will be recorded for the following year. You will receive the December issue of *The Bulletin* and all issues for the following year along with *The Directory of New Cultivars* for the membership year recorded.
- **Memberships received after November 25** will be recorded for the following year. You will receive all four issues of *The Bulletin* and *The Directory of New Cultivars* for the recorded year. Memberships are renewed January 1.
- You will be asked to create an account (website) before purchasing a membership. This enables the website to create a subscription and provides automatic renewal opportunities in the future.
- Memberships and payments may also be mailed to the APS using the form found on the APS website. Or, join and make payments easily through the APS Website below:
- **Memberships are not refundable through cancellation.**
