

Director Reflection

APS appreciates your work as a current and past Director! With the beginning of new terms the Nomination Committee is formalizing nominations and asks you to reflect upon your time as Director with APS by answering a few short questions. These questions are aimed to better understand Director needs and thoughts. Additionally, personal reflection is an important part of creating a positive atmosphere for the Society through identification of possible problems. Leadership believes it is important to evaluate our work and its impact on our organization. Your thoughtful answers to following questions are requested and appreciated. Please return to Cory Tischman, Nominations Chair, by **March 1st**.
