

## Director Reflection

APS appreciates your work as a current and past Director! With the beginning of new terms the Nomination Committee is formalizing nominations and asks you to reflect upon your time as Director with APS by answering a few short questions. These questions are aimed to better understand Director needs and thoughts. Additionally, personal reflection is an important part of creating a positive atmosphere for the Society through identification of possible problems. Leadership believes it is important to evaluate our work and its impact on our organization. Your thoughtful answers to following questions are requested and appreciated. Please return to Cory Tischman, Nominations Chair, by **March 1st**.

- 1) How do you think you have grown as a Director in your most recent term?  
**My capacity to plan and change direction has grown over the last two years, as have many others.**
- 2) In this past term, what accomplishments are you most proud of as your role as a Director?  
**I am very proud of the successful fundraising done by the Auction Committee.**
- 3) Did you have any goals you which you feel you've met? Any you would like to continue or improve upon?  
**As Auction Committee Chair, I feel that I have met goals by working with the Committee to have successful auctions, which help to fund other valuable work.**
- 4) What are some areas of growth that you would like to work on as a Director?  
**I would like to continue to see more members involved in APS activities. We need member involvement outside of the Board. APS needs to attract and retain new members, especially younger members who bring a new perspective to our organization.**
- 5) What are ways the Board of Directors can help you with these growth areas?
- 6) What skills do you have that you believe the Board of Directors could use more effectively?
- 7) What changes would you like to see for the BOD in the next two years?  
**I'd like to see multiple people interested in the leadership roles – where we have enough interest in positions on the BOD that more than one person is running for each role.**

- 8) What do you like least about your current role?
- 9) What do you want to see change for the APS, as a whole, in the next two years?  
**Through the APS Conventions and other activities, I would like to continue to see APS members becoming involved in APS activities. We need member involvement.**
- 10) What are your most important goals for the next two years?  
**Assisting APS to continue to grow. Attending APS conventions and other events. Meeting new people and see others grow their love for peonies. Helping others to be as excited about peonies as I am.**
