

APS Best In Show – AKA...‘Grand Champion’ or ‘Queen of the Show’

Each year, the American Peony Society, sponsors and organizes a peony flower exhibition, in conjunction with the annual convention. Growers, gardeners and peony enthusiast gather to have their best flowers evaluated and viewed by the public during the show. Flowers from a wide range of peony plant groups can typically be seen, as well as, bloom from some of the newest and most unique introductions. Exhibitors bring transport their flowers from many locations originating in North America, allowing visitor to the show the many varied bloom times of peonies all at once.

With great anticipation and excitement, the exhibitors prepare their flowers for judging the evening before judging. Judges evaluate each bloom in various divisions and award worthy flowers that meet definitive criteria. The best flowers from each division are selected and further awarded, and further selections are made to determine a number of other awards.

When all is said and done, the coveted ‘Best in Show’ is awarded to the most outstanding flower. The American Peony Society Best in Show award is the highest honor a peony can receive in our annual flower exhibition. This award is also known as the Grand Champion, and the winning flower is often called Queen of the Show.
