

## Mentorship Program February Report

Active Mentorships 5

Pending Mentors 2

Closed Requests 4

Nate, Don and Eleanor have open Mentorships working.

The two pending mentorships are needing mentors in Hybridizing, and one in Disease ID and Management.

Four requests were closed by Kent by referrals to readily available resources.

Received one Mentor Volunteer: Patricia Holloway, Alaska, for Cut Flower Production and sharing of her Blog

Most recently paired Liz Best with a Mentee on large peony garden development
