

APS Awards Committee
Award Metal Proposal February 2021

After receiving some recommendations, I have outlined them below for Board Approval so we can vote to move forward on creating the medals.

Below are older designs of previous APS medals. The idea would be to create one medal and be able to use them for multiple awards by engraving details on the back of the medal (see example below).

Medals would be a similar design to these, and Kim has someone that can create the final art concept for us. The medal will have a small hole in the top for placement of the ribbon (see example next page).

2" Medallion – Antique Brass – 3D Front (raised like a coin) – 3D Back – No Color – Art charges and Dies Included in price.

- 100 medals = \$7.08 each, total \$788.00
- 100 ½" wide solid color with one color printed ribbons (APS Logo) \$112.00

Total medal cost \$900.00
