501(C) Tax Exempt Status

We noticed that your 501(c) organization is required to file a Form 990 series return on an annual basis to the IRS. If you have not already done so, you may visit our website at www.501Center.com, and complete the filing there with our assistance. Per our review of the IRS's database, we noted your origination is listed as a **June fiscal filer**. The 990 form series is due by the 15th day of the 5th month after the end of your organization's fiscal year (November 15th for June Filers). **Please note, the Form 990 series can now be filed for the year ending 6/30/2018.**

1. In order to maintain your 501(c) status you are required to file a Form 990 series on an annual basis **even if you have minimal or no financial activity.**
2. Depending on the type of filing you are required to submit **the IRS will automatically revoke your tax exempt status** for failing to file for 3 years and you may be subject to **monetary penalties** for late filing.
3. For organizations who receive under \$50,000 of gross receipts, it takes only **5 minutes** to fill out the online application.

You may file your Form 990 series return with our assistance at:
